Commissioner for Patents

Applicant contacted the Examiner after receiving a Notice Regarding Drawings and PTO-948 mailed 9 September 2005.

Examiner has reviewed the Notice and case file and has determined that the Notice has been sent in error, as 1) the Notice indicated that drawings filed 11-24-03 were not acceptable, but no drawings were filed in the instant application on that date, and 2) formal drawings were filed 2-20-04 (prior to mailing of the Notice Regarding Drawings) in response to an office letter mailed 12-22-03 but were not reviewed.

As such, the requirement to correct the informalities set forth in the Notice Regarding Drawings is hereby withdrawn and no response by Applicant is required with regard to the Notice.
